Join the Revolution!

Started as an indoor schooling show in the winter of 2017, the Revolution Series is proud to have grown as a popular three day indoor and outdoor Hunter/Jumper show destination for Northern Illinois and Southern Wisconsin. We offer a unique educational twist on your show experience with our Clinic + Show format. Teaming up with the most desirable Hunter/Jumper Professionals in the industry, our guest Judges offer a series of clinics before the show, and design all the over fences courses for the Classics.

The Revolution Series is proud to be continually selected as a Jockey Club Thoroughbred Incentive Program (TIP) show; featuring TIP classes that help promote the second careers of Off Track Thoroughbreds. In a charitable effort to give back to our equestrian community, our sponsors are invited to participate in fundraising events hosted throughout the show season, and during our Finals show.
